*Rates are calculated using 2018 population estimates from the San Diego Association of Governments.

** Rates are not calculated for counts under 5 cases or populations under 10,000.

***More information may become available as individual case investigations are completed.

Zip code is zip code of residence, which may not be location of exposure.

Rates based on small case counts may vary considerably and should be interpreted with caution.

Data are preliminary and subject to change.
